

U-GIVE for UKRAINE

(Another opportunity!)

Because of your interest in the Heartland Baptist District ministry with Love Lift for Ukraine, I wanted to notify you of this opportunity to make a significant contribution toward the ministry of **ODESSA THEOLOGICAL SEMINARY**. I received a detailed email from our friend, Dr. Vladimir Shemchishin, president of the seminary, making us aware of this need. As many of you know, the seminary recently was able to purchase an unfinished wing of the Second Baptist Church (next door) and complete the construction of much-needed classroom and dormitory space. This has been a major work of God!

Now the need is to furnish those spaces to make them usable for the students and faculty of the seminary. Below please find a full listing of how you can be involved in creating a positive environment in which strategic education can proceed in an acceptable environment. I am encouraging you or your church to consider furnishing a whole room or purchasing individual items for the various rooms. (*Expense amounts given are in US dollars.*) All levels of involvement will help tremendously! Please note that some of our HBD teams will likely stay in these facilities in the years to come as the seminary continues to generously make its facilities available to us.

Maybe a **special Christmas offering** or **year end gift** would be appropriate in your setting. But with the size of this project, you can see that the need will be evident for some months to come. Maybe this would be a great **Valentine's** (**Love Lift for Ukraine!**) or **Easter offering** or perhaps a **VBS missions project** for your church this summer. As the Lord provides, we are praying that the facility will be furnished and fully usable for the 2008 academic year. You can make that happen!

Please make all checks to Heartland Baptist District, clearly marked as to your intended purpose. Mail to our office at 601 W. 57th St. Sioux Falls, SD 57108.

Thank you for your interest, prayers and sacrificial giving for the ministries that God is using in amazing ways in Ukraine. If you would like more information about the strategic part that Odessa Theological Seminary is playing in reaching this part of the world with the gospel, please contact the District Executive Minister, Larry Odle.
