

## LOVE LIFT FOR UKRAINE

will be giving these blankets to orphans and widows in need of this touch of love.

The **Blankets of Love** are easy to make. (NO SEWING IS REQUIRED !)

You need to purchase two pieces, 1 ½ yards each, of fleece (one solid and one print)

- 1) Place two pieces of fleece on a flat surface, wrong sides together. Cut off the salvages, making sure that the two pieces match in size.
- 2) For guides, cut two pieces of cardboard – one that is a 3” square and the second that is 1” by 3”
- 3) Use the 3” square in the corners of the fleece and cut out a 3” square of fleece
- 4) Use the 1” by 3” piece as a guide to cut fringe along each side of the fleece, 1” wide and 3” deep
- 5) Lay both pieces together. Tie the fringe pieces together, double knot one plain fringe with one print fringe around the entire blanket. The ties should not be tied too tight.
