WHO WE ARE

Faith Community Church was founded in 1983 with passion to reach its community, region, and the world with the Gospel of Christ. Since its inception, FCC has been a non-denominational bible church with an emphasis on biblical teaching, family ministry, youth ministry, local outreach, and world missions. FCC averages approximately 340 people for Sunday worship service, 250 children and youth for mid-week ministries, has eight adult small groups, and is regularly looking for creative ways to reach the lost and disciple believers. FCC strives to faithfully steward the resources entrusted to them with a total annual budget of over \$600,000, annual missions giving of \$90,000, a 6-acre campus, and no debt. With these resources they currently staff an associate pastor, youth pastor, two secretaries, and support 34 missionary partners. From the beginning, FCC has viewed prayer as a hallmark of the church, and they practice this by making it a part of Sunday morning worship service and its church ministries.
